Hello,

Attached please find a copy of our most current version of the MA MS4 mailing list. You can find the mailing list is in the first tab on the left, labeled "Master Contact List." The second tab, "Legend," provides details on each column header and on the additional tabs. The other tabs in the spreadsheet are older lists that were used to create the Master List, and are not currently being used.

Thanks and let us know if you have any questions,

Elise
